<p>Miscellaneous: NON-ELIMINATION PARALLEL FORMAT: Race is completed in 2 heats where athletes race on red and blue course in each heat. All racers compete in both heats. After first heat, athletes are re-seeded based who is closest to them in time for the next heat. Final result is combined time of all four runs. If skier has a DNF or DSQ on one run in the heat, they will get a time on that run equal to the time on their other run plus 2.00 seconds. If a skier has a DNF or DSQ in both runs in the heat, their final result will be DNF or DSQ, but they continue to the next heat and will start in the first group(s). Run order for the 2nd heat is in reverse order of rank, with fastest two racers starting last. On first run of heat, 1st racer in a pairing runs on red course and 2nd racer runs blue course. Switch on 2nd run of heat. Start command: "Red course ready, blue course ready, racers ready" Athletes start when gate drops. Early or late start will be penalized. Courses are timed independently start to finish, not differential time at finish line. Disqualifications will be announced after each heat and posted to WhatsApp. Soft-ear helmets are not permitted. Helmets must be worn for all activities. Turn in bibs at finish after your final run. Bibs re-issued to SkillsQuest participants on Sunday morning. Athletes may choose activities they wish to participate in when not racing, see schedule. Twin tips encouraged on air bag, but any skis may be used. Must wear jacket for airbag, not in just speed suit. Nordic jumps – athletes must jump the 20m jump before moving up to the 30m jump. Speed trap is on the HS75 out run, access from 2nd exit on poma to the right. Pizza lunch is for racers only! Food will be served from 12:00-1:15. NO SKIS ON THE GROUND AROUND THE FINISH CORRAL!!! Place on racks or fences. Live video feed for dual races! Go to www.sswsc.org/events/skillsquest.</p>
